### **Wells between Hole & Doane Closure – May 3-6, 2011**

**RIVERSIDE, Calif.** – Wells Avenue between Hole Avenue and Doane Avenue will be closed the week of May 3<sup>rd</sup> through the 6<sup>th</sup>. The closure will begin on Tuesday, May 3, 2011 at 6:00 a.m. and will reopen on Friday, May 6, 2011 by 8:00 p.m.

The closure is necessary to remove existing pavement and reconstruct the roadway.

Should the work be completed sooner than expected, the road may be reopened earlier. Those who travel this corridor between these hours are urged to seek alternative routes during these days.

There will be additional lane closures on La Sierra, Pierce, and Hole to complete the paving throughout the remainder of the construction project.

This is part of the Five Points Street Widening Project. The \$3.4 million project will enhance the traffic flow and safety for motorists, pedestrians and cyclists. The Project is expected to be completed by the summer 2011.
